

THE WISCONSIN ASSOCIATION OF PUBLIC PURCHASERS

PRESENTS

Vendor Expo-2010

When: Thursday, September 23, 2010

Where: Chula Vista, Wisconsin Dells, Wisconsin

The Expo provides an opportunity for businesses to exhibit their products and promote their services to Wisconsin government officials. WAPP has approximately 190 members state-wide. There are also many more public officials who influence purchasing decisions. Wisconsin public purchasers and officials use a conference and exposition of this type to obtain vital information about the products and services available to their government entities (state agencies, local government, public schools, universities and technical colleges). **This is the only conference and expo in the State of Wisconsin that is explicitly for Wisconsin public officials, including those from local government, state government and public educational institutions. The exposition portion of the event is free to all interested public officials. It runs from 1:00 PM to 4:00 PM on Thursday, September 23, 2009.**
